**Cross-contact note:** Due to the use of a shared steam wand for dairy milk and Oatly Barista oat milk, dairy milk beverages may contain traces of oats and oat milk beverages may contain traces of milk.

**Alcohol note:** Alcoholic beverages may contain sulphites depending on supplier and production method. Bottle labels and supplier specifications should be retained and checked when products change.

**Supplier note:** This matrix is based on supplier labels, product information provided and current operating procedures at the issue date. Update this document whenever ingredients, brands or recipes change.
